

## GOLDENSEED

100% Organically grown - Shaped in nature, not a warehouse. Organic inputs and sustainable farming - Exceptional flower, clones & extracts. Goldenseed delivers pure California cannabis in the form of proprietary seed strains, smokable blends, and oil and terpene extractions. Our farm, tucked into the hills of Monterey Bay, is a model for the cannabis industry of responsible, clean organic growing, harvesting, and soil-building land stewardship that together result in the highest quality cannabis products now being sold.
