HOTBOX

At HOTBOX, they put the time and care into their cannabis to ensure great aromas and flavors. HOTBOX is changing the game when it comes to smokeable's with their handcrafted, responsibly grown products. HOTBOX prides themselves on their responsible growing process which includes using reverse osmosis filtered water, donating their soil so it can be repurposed by local nurseries and using organic pesticides made with essential oils and other natural ingredients as to not hurt the environment or use toxic chemicals.
