

FRUIT SLĀBS

FRUIT SLABS

Fruit Slabs are all natural fruit strips infused with high quality cannabis extracts. They are committed to wellness which is why they exclusively use 100% organic, vegan ingredients and don't add any sugar, ever. Fruit Slabs are a healthy and wholesome way to consume cannabinoids.

Each resealable pouch contains ten pieces of Fruit Slabs created with organic ingredients and infused with 10mg thc each for a total of 100mg thc in the whole pouch. They maintain the purity, potency and consistent dosage levels of Fruit Slabs by having their products laboratory tested.

The newest addition to Fruit Slabs is the single service Pride Passion that was developed in collaboration with drag queen and LGBTQ influencer La Ganja Estranja! The Pride Passion is a colorful blend of mango, passionfruit and a twist of lemon lime.
