

## CANNAFORNIA

Cannafornia cultivates high quality greenhouse cannabis, in the spirit of the industry that is California cannabis. California cannabis is known to be the best cannabis. Period. With one of the largest outdoor grow facilities in the state, Cannafornia is located in Salinas and prides themselves on delivering premium flower, prerolls, shake ounces and a variety of THC cartridges. With a name like Cannafornia, and quality to match you'll have no doubt you're enjoying California's favorite flower.
